I DAY OF MANAGEMENT AND TALENT

PEDRO GOMEZ CASTRO

Doctor in Medicine. Surgeon with specialty in Aesthetic Medicine.

He is a fighter, with a brilliant career, consolidated and recognized in Venezuela, a few years ago he moved to Miami, again getting a place and a privileged recognition in the sector, demonstrating Overcoming Optimism and Continuously Innovating through his continuous training, conferences and daily work.

JUAN DIEGO HUMPIERRES

Lawyer, Musician, Psychotherapist.

For 15 years he travels the world offering advice, talks, lectures and workshops, in the integral area of the human being, contributing to stimulate the creative expression, self-knowledge and investigate what pertains to the individual: conflicts, changes, crisis, duels, self-esteem, motivation; his relationships with himself and with the environment. He is a great motivator.

ELIZABETH CANTERO

Dra. In Philosophy, Psychotherapist, Business Administrator, Founder of www.misterwalker.es

After many years as a business administrator and then as a psychotherapist, she decided to combine her knowledge to offer an updated training to the business and hospitality world from a more human, more integrated, less separatist perspective, which offers an exclusive possibility that is difficult to find.

PATCH ADAMS

Doctor in Medicine and Social Activist.

Founder and director of the GESUNDHEIT INSTITUTE.

Universal Studios filmed the Patch Adams movie, based on his life project, starring by Robbin Williams.

Is an internationally known speaker on well-being, humor and joy. He addresses personal, community and global health issues with "exuberant enthusiasm," according to Time magazine. Dr. Adams believes that "the most revolutionary act that one can commit in our world is to be happy."

BOOK SALE

During the whole day you can acquire the books of several of our speakers. Near the entrance of the room there is a table where all the texts are and a person who will kindly provide you with the information you need.
